# Meet Our Actives

## President

**Name:** Hunter Durian

**Birthday:** December 3rd, 1997

**City:** Athelstane, WI

**Year in School:** Junior

**Major:** Electrical Engineering

**Pledge Class:** Delta Delta, Spring '17

**Pledge Father:** Paul Rod

**Nickname:** Honest Abe

**Why I pledged:** To join a brotherhood and do community work.

**What do I see in Phi Sigma's Future:** I want the fraternity to grow in numbers. I want the fraternity to do a little more community work than just tutoring at the middle school. Also, I want the fraternity to have more social events.

## Vice President

**Name:** Clay Stuepfert

**Birthday:** October 30th, 1997

**City:** La Moille, IL

**Year in School:** Junior

**Major:** Mechanical Engineering

**Pledge Class:** Delta Gamma, Fall '16

**Pledge Father:** Paul Rod

**Nickname:** Potter

**Why I pledged:** Brotherhood and academic reasons

**What do I see in Phi Sigma's Future:** I would like to see us develop more with in the community and grow to be more recognized and engaged within the campus community. I would like to see us become a place where good character strives above all else and community service is a key part of who we are.

## Treasurer

**Name:** Charlie Peterson

**Birthday:** November 11th, 1997

**City:** Sharon, WI

**Year in School:** Junior

**Major:** Soil and Crop Science

**Minor:** Biotechnology

**Pledge Class:** Delta Delta, Spring '17

**Pledge Father:** Clay Stuepfert

**Nickname:** Wonka

**Why I pledged:** Made good friends with a majority of the fraternity

**What do I see in Phi Sigma's Future:** I would like to see a growth in the size of our fraternity, but without bad characters. Many kids are now just looking for someplace they can party all the time, and even though we know how to have fun, it shouldn't be what the fraternity exists for. That being said, I would also like to see more group activities involving the brothers.

**Secretary**

**Name:** Mitchell Wojciehowski

**Birthday:** September 4th, 1995

**City:** Marinette, WI

**Year in School:** Senior

**Major:** Electrical Engineering

**Pledge Class:** Delta Gamma, Fall '16

**Pledge Father:** Zach May

**Year in School:** Junior

**Major:** Computer Science (with an emphasis in Computer Technology)

**Minor:** Business Administration

**Pledge Class:** Delta Delta, Spring '17

**Pledge Father:** Jon Schuh

**Nickname:** Double Dong

**Why I pledged:** I wanted to become more involved on campus and didn't want to sit around my dorm all day. I got to know the Phi Sigs, and decided that I wanted to become one myself.

**What do I see in Phi Sigma's Future:** I want Phi Sigma to be recognized campus wide, I want people to know who we are and what we are about. I also want to grow our numbers, and spread our name on campus and in the community.

**Community Service Chair**

**Name:** Tyler Prust

**Birthday:** May 11th, 1997

## Chapter Update:

We have made a big rush push over the last year, rushing five in the fall semester of 2018, and have a few more prospective members for the spring of '19. Every new member is welcomed with open arms and encouraged to become involved in many events throughout the campus and community. We have also been trying to plan more events throughout the semester including a parents weekend which is scheduled for April 5th-7th. This would be a good time for all the actives to meet and greet with the other actives parents. We also have our annual Chicken BBQ scheduled for Saturday April 27th. We encourage all alumni to attend this fun and exciting event. There will be homemade grilled chicken with Brother Clay's delicious homemade BBQ sauce. We will have bags and other games as well.

This year we have also been pushing for more community involvement and academic success. Last Semester, thanks to the Alumni's help, the actives donated \$160 to Morgan (a little girl fighting a rare kidney condition) this donation was very appreciated and Morgan is doing great and back to acting like herself. She spent about a month in the hospital where she and her family accrued a lot of medical debt, so Phi Sigma jumped into help with some expenses. We are also still continuing to tutor the fifth graders at the Platteville Middle School three days a week and volunteering at Ruby's Pantry monthly. Along with our continued community service Phi Sigma received the highest average GPA of all the fraternities last semester, and second of all Greek life. Great Job Phi Sigma!!

Phi Sigs Once,

Clay Stuepfert
